**THE 17TH CYCLE ANNUAL PERFORMANCE EVALUATION FOR MINISTRIES,
DEPARTMENTS AND AGENCIES FOR THE FY 2020/21**

The Performance Contracting Guidelines require among others, that the annual performance evaluation is undertaken for all Ministries, Departments and Agencies (MDAs) that sign and implement Performance Contracts. A total of 352 MDAs including State House, Office of the Deputy President, 21 Ministries, State Law Office and Department of Justice, 229 State Corporations and 99 Tertiary Institutions implemented Performance Contracts during the FY 2020/21. The evaluation and subsequent grading of performance also forms the basis for instituting performance rewards and/or sanctions.

Evaluation and moderation of performance of all the MDAs that implemented Performance Contracts for the FY 2020/21 is scheduled to commence on 12th October, 2021. All MDAs are required to conduct their self-performance evaluation using the online Government Performance Contracting Information System (GPCIS) based on the 17th Cycle Performance Contracting Guidelines before moderation of the results is undertaken by an external independent team drawn from the Public Service Performance Management & Monitoring Unit and Kenya Vision 2030 Delivery Secretariat.

The annual performance evaluation will be undertaken with strict observance of the COVID-19 protocols and directives in place in order to mitigate against the spread and effects of the pandemic. MDAs are expected to undertake their self-evaluation using the GPCIS by 8th October, 2021 in readiness for moderation by the external team, including confirming the achievements as per the attached schedule. In doing so, MDAs should ensure that the performance data is comprehensive, verifiable, accurate, consistent and authenticated. It should be ensured that evaluation for each performance indicator reflects the "actual" achievement even in instances where exogenous factor(s) may have been

experienced. In addition, any exogenous factor(s) should be objectively established and documented.

MDAs that fail to participate in the Annual Performance Evaluation (based on the duly negotiated, vetted, reviewed/signed Performance Contract), or for the reason that it declined to be placed on Performance Contract shall have its performance graded as "Poor".

The following are key documents that will guide the performance evaluation exercise:

- i. Performance Contracting Guidelines for the FY 2020/21;
- ii. Approved budgets for the FY 2020/21;
- iii. Quarterly and Annual performance reports extracted from the GPCIS;
- iv. Self-evaluation report processed through the GPCIS; and
- v. Verifiable evidence to support achievements of the performance targets.

Upon completion of the self-evaluation and moderation exercise, the Public Service Performance Management and Monitoring Unit will prepare a report on the performance of the MDAs for submission to the Cabinet.

Thank you for your continued support to Performance Contracting in the Public Service.
